Dear Tango,

Hello! My name is Mr. Froning. I just finished reading "And Tango Makes Three" to my first graders! They absolutely loved the book. I just wanted to write to you and say hi — because I'm not sure if you get lonely at the zoo or not. Please tell your dads hi for me. They were in the book too! It's starting to snow here in Ohio — and probably in New York too. I hope you enjoy the show as much as I do! ☺

Your friend,  
Mr. Froning
